## To All Interested In Good Shorthorns . . .

I am extremely proud to offer this "Sale Of Youngsters".

The female offering represents practically all of my 1967 heifers and most of the 1968 heifer calves old enough to wean. Even after making allowances for my prejudiced position, I think that this is one of the best offerings of **young** breeding stock ever offered in the Midwest. Take a look at the individuals, their pedigrees, then the reference sires and see if you don't agree with me. There are females in this offering good enough for any herd in the country. What an opportunity for a 4-H or FFA Youngster to get started.

The young bull calves are being offered as an added attraction after all the females are sold.

You may buy these cattle with confidence.

—DAN McCUBBIN

## A FREE CALF

A good steer calf will be given to some lucky 4-H or FFA boy or girl at the end of the sale. To be eligible to win, the youngster must show that he is a bonafide club or FFA member, register for the drawing, and be present at the time of the drawing.

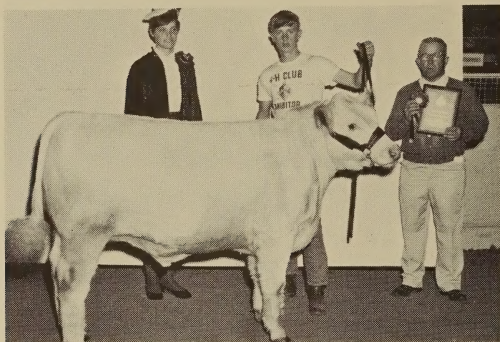

This Bruhn-bred calf sells as a bull in this sale. A number of his half brothers will feature the steer sale.

## 25 STEERS

A great set of steer calves will open this auction. Most are sons of Omaha reserve champion Fernwood Lucifer. They have enough age and growing ability so their new owners won't have to "push" them to make minimum weights at Ak-Sar-Ben or the State Fair. Every calf has a great dam . . . two are pictured above and are typical of the quality in the Bruhn Cattle Co. Shorthorn herd.

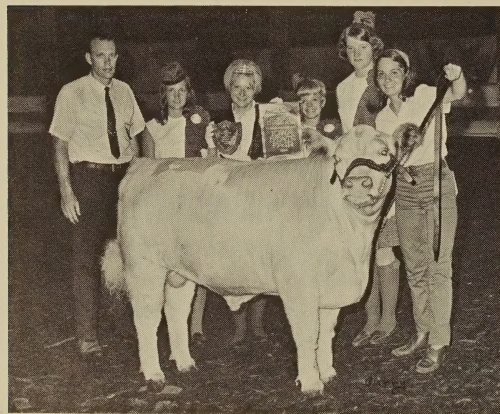

# BREEDING THAT WINS!

David Uhrenholdt, Elgin, Nebr., holds his champion Short-horn steer at the 1968 Ak-Sar-Ben Junior Show. This home-raised calf, sired by the McCubbin-bred DM Napoleon's Bomber, won over 127 entries.

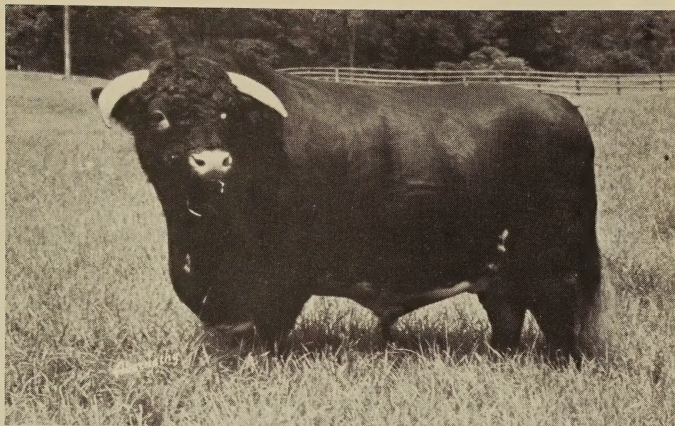

Pam Stille, Storm Lake, Iowa, with her champion Short-horn steer at the 1968 Iowa State Fair where 198 head were shown. This Eldon Miller-bred calf was sired by DM Napoleon's Basis.

Nancy Wasson, Sac City, Iowa, with her reserve champion Shorthorn steer at the 1968 Iowa State Fair. He was also bred by Eldon Miller and sired by DM Napoleon's Basis.

**FERNWOOD LUCIFER**—1965 Ak-Sar-Ben reserve champion by the National Western grand champion Glastullich Cock Robin and out of a Calrossie Courier dam. A large number of his sons and daughters feature this sale.

The next 22 Heifers . . . 11 Yearling Heifers and 11 Heifer Calves . . . are all daughters of Fernwood Lucifer, Ak-Sar-Ben Reserve Champion Bull . . .

## The Bruhn Packing Co. Herd

Mac McCubbin and Ted Aegerter helped Earl and Jackie Bruhn in acquiring their original herd. Many of the great producing Henry Dietz families were infused in that reputation dispersion.

This herd was vigorously culled several years ago, and all who see this herd will agree that it is a great compliment to the Shorthorn breed . . . In fact it is one of the top herds in the state of Nebraska.

The good yearlings and calves selling in this sale include the entire 1967 and 1968 Bruhn Heifer crop. They are great prospects and proof of the breeding ability of Fernwood Lucifer.

Here is a Bruhn-bred heifer that sells in this sale. Looks good doesn't she? And how about her dam? This cow is typical of the quality matrons in the Bruhn Cattle Co. Shorthorn herd.

## FLASH

Nine of the first 10 steer calves sold at this year's Nebraska Club Calf Sale were sired by McCubbin-bred bulls. Consigned by Eldon Krebs, Ne-  
ligh; Dr. N. W. Kruse & Son, Genoa; and Loren Tejkl, Leigh, they earned premium prices for their owners. We are proud of the success of these good customers and feel that their success reflects on the effectiveness of our efforts to raise heavy-quartered, efficient gaining, clean-made Short-horns.

# The next 10 Lots are Bulls...

## Four 1967 Prospects and Six 1968 Calves

Buying calves is always a good way of getting a top prospect at a lower figure than would be necessary for a quality bull of stronger age. When you buy calves from a reputation herd like McCubbins, where only the best sires have been used and where a high quality cow herd is maintained, much of the gamble has been eliminated.

**DM DEACON'S DANDY**—He was the first prize junior bull calf at this year's Iowa State Fair and is my first bull calf by Harvey. I could write a book about the productive ability of his dam. One of her sons was senior champion and reserve grand champion of a Nebraska State Fair. One daughter was Nebraska champion at a State Fair. Another daughter was first prize junior calf and reserve junior champion at the 1966 Iowa State Fair. This is a real good calf.
